

**If you need assistance registering online for the MSV Annual Meeting, please contact us.**

The key thing to remember is that each person has their own individual account in our system. For instance, you will have your own unique email and username/password, which will be different from your spouse's.

Even if you are both going to the same annual meeting event, you each have to log in separately and register yourself.

You are probably already in the system, but the email address could be incorrect - we can change it for you.

If you forgot your username or password, or don't have one yet, we can set one up in a few minutes.

**To contact us:** (8:30am - 5:00pm weekdays)

**(800) 746-6768, ext. 1050 or 804-377-1050**

*Thank you!*
